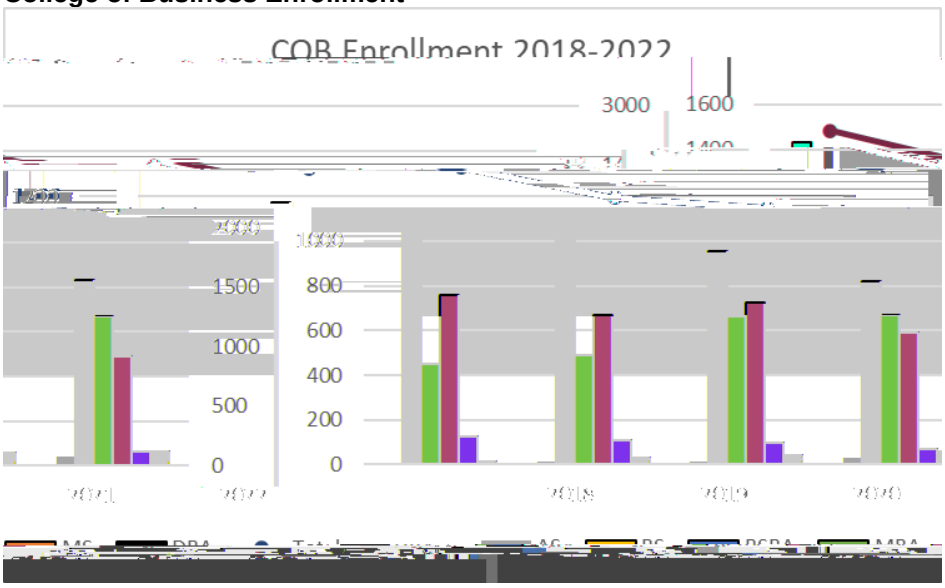
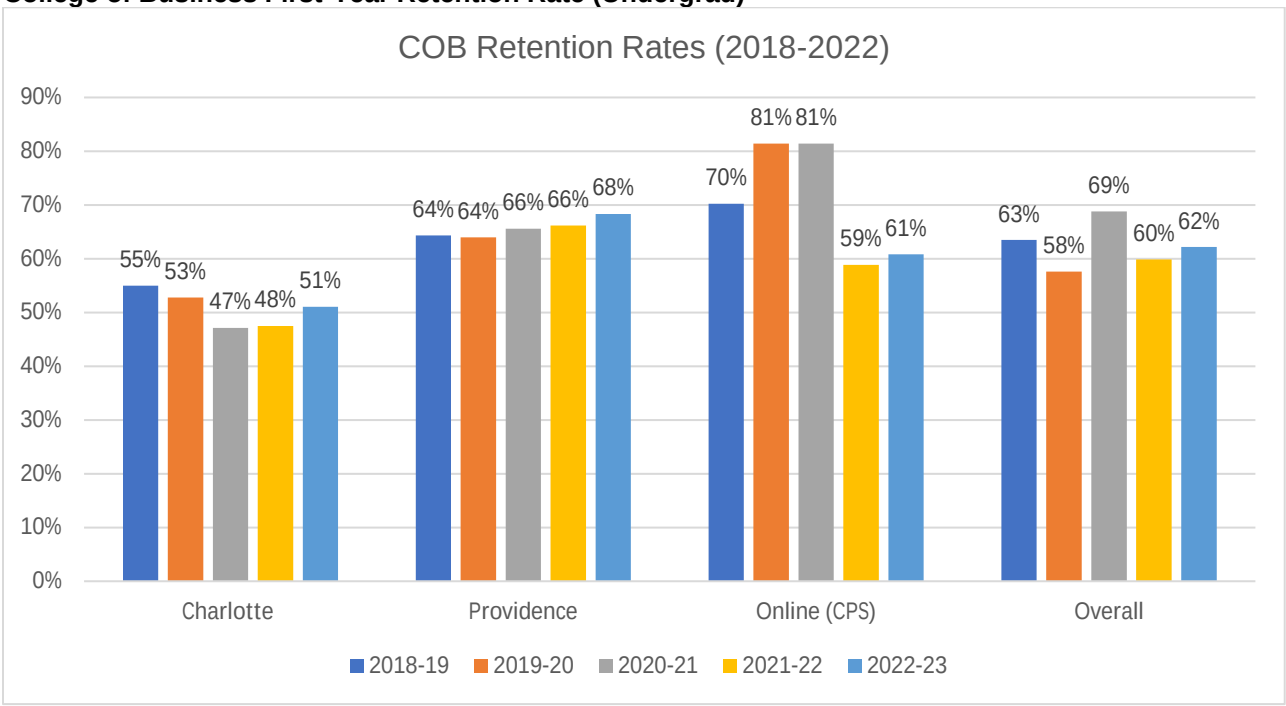
College of Business Enrollment



Noteworthy trends

As with many universities in the Northeast, JWU has experienced declining overall enrollment due to demographic changes in the region, and due to declining percentage of college age students opting to attend.

College of Business First-Year Retention Rate (Undergrad) *



* Retention Entry Term to 1st Returning Fall Persistence Rate with Completion

College of Business - Student Internships
From Fall 2021 to Spring 2023, College of Business students interned at 241 unique job sites across 26 different U.S. states, as well as with companies located in Puerto Rico, Guyana, Brazil, and the Philippines. Examples of companies where College of Business students have served as interns include:
ies, Providence Performing Arts Center, Target, and Zara.
