Class	Class nomenclature and the individuals included in each class are determined by PA programs when assigning students to a particular class.				
Class Graduation Year	Graduation year for the majority of the individuals in the specific class based on the confirmed graduation date provided by the PA program.				
Group	All takers include first time takers as well as those individuals in the class who repeated the exam one or more times. First time takers are those candidates who took PANCE for the first time.				
Number of Candidates Who Took PANCE	Number of individuals from the class who have taken PANCE. Fist time takers are included in the all takers group.				
Number of Exam Attempts	Total number of exams administered, including multiple exam attempts for an individual candidate in the all takers group. (This is a count of exams administered not a count of individual candidates.)				
Number of Exams Passed	Number of exams administered that resulted in a passing score.				
Program Exam Pass Rate	Percent of exams that were <i>passed</i> as compared to the number of exams that were <i>administered</i> to the class, including multiple exams taken by individual candidates.				
National Exam Pass Rate for the Class Graduation Year	Percent of exams that were passed at the national level as compared to the numb of exams that were administered. The calculation is based on the total number of exams administered and passed, not the number of individual candidates. The reporting period is based on the calendar year corresponding with the class graduation year and will only be provided after the end of the current calendar year
